<input type="checkbox"/>	Other (list):	
Add a one-sentence, non-academic fun-fact about yourself.		

Add the following to complete your application:

1. An essay (300 words or less) on why a career in science, technology, engineering, and mathematics is the goal of the student; Highlight what you plan to pursue in college & potential career goals.
2. High school transcripts (seven (7) semesters in the case of current high school seniors); plus first-semester transcripts for applicants who are first-year technical college students, along with their entire high school transcript.
3. Two (2) letters of recommendation from education institution or community organization individuals (e.g., teachers, coaches, service or religious organization leaders, etc.). Each recommendation is weighted 15%.
