Thank you to our Sponsors

BHA & BWA Presidents Welcome

It is our pleasure to welcome you to the 2025 Senior Turf Grand Finals. Today we celebrate the pinnacle of our competition – a showcase of skill, spirit, and the very best of Brisbane hockey.

This year has again demonstrated the depth and passion of our community. Across every division, from our emerging juniors through to our Premier League, we have seen outstanding performances from players, dedication from coaches and managers, and tireless contributions from volunteers, umpires, and technical officials. Without this commitment, our competitions simply would not be possible.

As we reflect on the season just past, we must also keep our eyes firmly on the future. Hockey Brisbane stands at a turning point. The unification of BWA and BHA is not just a structural change, it is a once in a generation opportunity to strengthen our sport, modernise our governance, and present one united voice for hockey in Brisbane.

That single voice will be critical as we move toward 2027 and the opportunities ahead, including preparations for the Brisbane 2032 Olympic Games. By working together, we will be better placed to secure investment in facilities, advocate for our members, and ensure our sport thrives for decades to come.

Today's Grand Finals are a reminder of what makes hockey so special: teamwork, resilience, respect, and community. These values must guide us as we take the next step on our journey – building a stronger, united association that reflects both our proud history and our ambitious future.

Congratulations to all teams competing today, and thank you to every person who has contributed to another successful season of Hockey Brisbane. We wish all players the very best of luck in your Grand finals campaign.

Together, we are on the right track – let's stay the course.

ALTIVUS COMES TO HOCKEY BRISBANE

2025 has been a milestone year for Hockey Brisbane with the introduction of the Altivus competition management system across all of our fixtures. For the first time, every competition – from junior grass through to Premier League – was scheduled, tracked, and recorded through one integrated platform.

The results speak for themselves:

- Over **3,600** games processed through Altivus in 2025.
- The largest number of games managed by a single client anywhere in Australia.
- A huge undertaking for our very first year on the system.

This is more than just numbers on a screen – it's a foundation for the future. With Altivus, our competitions are more interactive, connected, transparent, and ready for growth as we look ahead.

This season, Hockey Brisbane showed what's possible when an entire community embraces change. Together, we've set a new benchmark.

Division 1 Grand Final Facts & Stats

BHL1 Labrador v Easts 1

- **Familiar Rivalry:** This is the sixth time in the past nine seasons that Labrador and Easts have clashed in the BHL1 grand final.
- **Recent History:** Labrador claimed the 2024 premiership in dramatic fashion, defeating Easts with a golden goal in extra time. Easts won the year before, edging Labrador 2–1 in the 2023 decider.
- **Head-to-Head in Grand Finals:** Easts hold two grand final wins over Labrador (2017, 2023), while Labrador now have three victories over Easts (2019, 2020, 2024).
- **Top of the Table Clash:** For the ninth time in the last 11 seasons, the teams that finished first and second on the ladder will meet in the grand final.
- **2025 Ladder Finish:** Labrador finished as Minor Premiers with 49 points, with Easts on 43.
- **Season Matchups:** The two heavyweights have already crossed paths three times this year. Round 1 ended in a hard-fought 1–1 draw, before Labrador edged ahead 3–2 in Round 10. In the first semifinal, Easts turned the tables with a thrilling 4–3 victory. Today is anyone's game.

PL1 Commercial 1 v University of Qld 1

- **Commercial Hockey Club | Commercial** has a proud Division 1 record, claiming premierships in 1999, 2000, 2003, 2005, 2008, 2016 and most recently in 2022. The club first rose to A1 status in 1976 and has since been a regular contender, with countless grand final appearances cementing their place as one of Brisbane's powerhouse women's clubs.
- **University of Queensland Hockey Club | UQ's women** have been consistent challengers in recent years. Their Division 1 breakthrough came in 2018 when they secured both the Minor Premiership and Premiership – a historic double for the club. That triumph kicked off a remarkable run of four consecutive grand final appearances between 2018 and 2021, firmly establishing UQ as a modern Division 1 force.

Today's Contest

- This year's grand final brings together two of Brisbane hockey's most decorated and determined Division 1 clubs. With Commercial's tradition of success and UQ's recent golden era, this clash promises a thrilling chapter in their head-to-head rivalry.
- **Season Matchups:** Head-to-Head in 2025: The two clubs have already crossed paths three times this season, and the ledger is finely balanced: with Round 1 – UQ edged out Commercial 3–2; Round 2 – UQ repeated the dose with another 3–2 win and the Semi Final – Commercial hit back in emphatic style, recording a 6–0 victory. With UQ holding the advantage in the regular season and Commercial showing their firepower in finals, today's grand final shapes as the ultimate decider.
